1. Purpose of this report

- 1.1 To consider a full application (Kirkstall Flood Alleviation Scheme) for SUD, part of the ESIF Programme, and provide advice to the Combined Authority, in its role as the Intermediate Body (IB).

2. Information

- 2.1 On 8 March 2017, the Investment Committee considered and noted the roles and responsibilities relating to Intermediate Body (IB) status delegated to West Yorkshire Combined Authority in order to deliver the SUD Strategy, part of the ESIF Programme.
- 2.2 The Committee, in its advisory role, provided advice on the first draft SUD Call at its meeting in June 2017, which was subsequently agreed by the Combined Authority, at the 29 June 2017 meeting, for it to be published July 2017 by the Managing Authority (MA), Ministry of Housing, Communities and Local Government (MHCLG).
- 2.3 The Combined Authority has since selected projects to progress to full application stage. Round 1 resulted in only one project progressing to full application stage, due to a high attrition rate. This project is now contracted.

- 2.4 A round 2 call for projects was subsequently republished 8 June 2018 and closed 27 July 2018. The call was not materially changed from that previously approved. A further eight applications were received and considered in late 2018 with four applications selected to progress to full application. Three of the four full applications were considered by the Investment Committee at its meeting in September 2019 and selected by the Combined Authority at its meeting on the 10th October 2019. The remaining one full application is now being presented to the Investment Committee for advice. Advice of the Investment Committee is sought to support the Combined Authority, acting as the IB for SUD, to inform its decision(s) with regard to project selection.
- 2.5 As funding was still available a round 3 call was published 10 January 2019, closing 22 February 2019. One outline application was received which was considered by the Combined Authority, as Intermediate Body, in April 2019 and was selected to progress to full application.
- 2.4 Given there was a poor response to the round 3 call, a further round 4 call was published 8 April 2019 and closed 28 June 2019. The two outline applications received were presented to the Investment Committee for advice at its meeting in September 2019 and selected by the Combined Authority at its meeting on the 10th October 2019.
- 2.5 Following the two responses received for the round 4 call, and given there was still money to be committed locally, a round 5 call was published on the 31 July 2019 and closed 31 October 2019. The call value was for £6.8 million. Applications received will be presented to the Investment Committee for advice in due course.
- 2.6 The assessments of the full application, round 2, is attached to this report as **Exempt Appendix 2** together with a covering note (**Exempt Appendix 1**). The Investment Committee is requested to consider the content of the full assessment and the recommended conditions and provide advice to the Combined Authority, in its role as Intermediate Body, at its meeting on 12 December 2019.

Selection process and full assessment form

- 2.7 The selection process for SUD, part of the ESIF programme, has been set out in guidance notes issued to the IB by MHCLG, as the MA.
- 2.8 The IB has already assessed the full application for local strategic fit based on the Leeds City Region ESIF SUD strategy and made its project selection, setting out its advice and any respective conditions for the applicant to consider when developing their full application.
- 2.9 The Investment Committee is asked to advise the IB on whether the proposal set out at full application continues to appropriately address:

- Local domestic priorities, development needs/growth conditions and opportunities.
 - The contribution and value for money proposed in the context of the operational programme and the local ESIF strategy.
 - Any local issues that need to be taken into account in the development and/or delivery of the projects.
- 2.10 The full assessment form is split into four sections and each completed by either the IB or the MA as follows:
- Part 1, summary project details - completed by MHCLG
 - Part 2, the IB's assessment - completed by the Combined Authority
 - Part 3, the MA's assessment - completed by MHCLG
 - Part 4, selection decision - completed by the Combined Authority (4a) and MHCLG (4b and 4c).
- 2.11 Following the Investment Committee's advice the IB will finalise its assessment and advice to the MA who will make the final decision (taking account of the advice provided by the IB), and enter in to a funding agreement with the applicant.
- 2.12 The overall summary of the full assessment indicates the scoring criteria is considered to be met by the project. The project is considered to be sufficiently developed to enable the MA to issue a funding agreement subject to the proposed conditions set out in the assessment being fully met.

Undertaking the assessment

- 2.13 In line with the agreed IB Conflict of Interest Statement and Operating Protocol the application has been considered by the appraisal team, under the responsibility of the Head of Research and Intelligence from the Combined Authority, who have undertaken their own assessment in line with the criteria outlined above. Their findings are presented to the Committee at the meeting. In addition to officers from the appraisal team the MA will also be in attendance and can respond to questions raised by members regarding the assessment as required.

3. Financial Implications

- 3.1 MHCLG, as MA for the funds, is responsible for the issuing of funding agreements, paying projects and general contract management. The funding within the Strategy (€19.95 million) is a notional budget and is part of the ESIF ERDF programme. All finances go directly through MHCLG's accounts not the Combined Authority's.

4. Legal Implications

- 4.1 The information contained in Appendix 1-2 is exempt under paragraph 3 of Part 1 to Schedule 12A of the Local Government Act 1972 as it contains information relating to the financial or business affairs of any particular person

(including the authority holding that information). It is considered that the public interest in maintaining the content of the appendices as exempt outweighs the public interest in disclosing the information as publication could prejudice current and future decision making.

5. Staffing Implications

5.1 There are no staffing implications directly arising from this report.

6. External Consultees

6.1 MHCLG have been consulted in their role as Managing Authority in the production of this report.
