The Open Forum item has been established so that members of the public, in addition to those formally appointed to the committees, can come along and raise any transport related issues. The aim of the Open forum is that officers from the West Yorkshire Combined Authority in attendance can respond to any questions on the day and if not possible, take them away and provide a response by email.

Dot Freeman, Jean Goodison and Jackie Hardaker from Better Buses Kirklees raised their concerns as follows:-

- Bring the Bus Services back in the Public Domain (one body running the services)
- Planned and co-ordinated routes across Kirklees linking with wider areas in West/South Yorkshire which all the bus companies align to and agreed.
- Profits from popular routes can subsidise areas less busy.
- Improve access to rural transport and increase access on evenings and weekends.
- Introduce a simple one ticket scheme on all buses. A clearer ticketing system so return tickets can be used on any bus (include a cap on spend)
- Improve access for disabilities on all levels.
- One rule regarding access re prams, bikes etc
- Improve routes and access on and off buses. Faster routes create higher usage. Look at long term infrastructures and geographical areas when planning.
- Information and communication to be improved at all levels.
- Cleaner and more environmentally transport stock to safeguard climate change.

The Chair asked that Agenda item 9 Consultation Items (West Yorkshire Bus Alliance) be discussed at this point in proceedings.

5. Consultation Items

The sub-committee was provided with a brief presentation by Helen Ellerton, West Yorkshire Combined Authority, on the West Yorkshire Bus Alliance which aims to put customers at the heart of improving services, keeping business moving and developing a sustainable bus network. The Alliance brings together the Combined Authority, the local authorities of West Yorkshire and the bus operators including Arriva, First, Transdev and small operators.

Members gave their feedback and Helen Ellerton answered questions from representatives from Better Buses Kirklees and concerns from public

representatives

Members raised specific concerns about what would happen to the Bus Alliance when/if the First and Arriva operations were sold. The view was that the legal requirements surrounding the alliance may mean that the current agreements with the operators may not be met by new ones.

The importance is what is the right way forward for West Yorkshire and to work with operators to deliver in partnership and to realise the customer benefit early.

Resolved: That the information report and the Sub-Committee's feedback be noted.
