Active Travel - Emergency Active Travel Fund

- 2.4 An application for £10.053 million of tranche two funding was submitted on the 7th August, in line with the indicative allocations published by DfT. The outcome is expected to be announced at the end of August. The full details of the programme submitted will be published once an announcement has been made by government.

The proposed programme was shared with members of the West Yorkshire Bus Alliance and the CityConnect Advisory Group for comment before submission.
- 2.6 Comments received through online interactive mapping platforms were also used by partners to identify schemes within the programme, including the Your Voice interactive map covering Calderdale, Kirklees and Wakefield, and equivalent online engagement tools managed by Bradford Council and Leeds City Council. To date there have been over 1,600 comments made on the Your Voice map, from almost 400 contributors since launch in June.
