Code of Practice for recording meetings of the LEP Board

1. Recording by the public

The right to record meetings are set out in the LEP Board's Procedure Rule 12, and the Access to Information Annex to the Procedure Rules. This Code of Practice supplements those provisions.

The right to record extends only to formal meetings of the LEP Board in so far as they are open to the public.

Recording in this context includes filming, photographing and making an audio recording. No recordings should be made or published in breach of this Code of Practice.

The agenda for each meeting will state that that the meeting may be recorded. We will also display signs in the meeting room stating that the meeting may be recorded.

Please inform the chair of the meeting **before** the meeting starts, **if you do not want** to be recorded. The chair will inform any person recording the meeting that you do not wish to be recorded.

If you record a meeting, you must comply with the following:

Before the meeting

Before the meeting starts, please inform the chair (or clerk) of the meeting that you want to record the meeting.

To minimise disruption, and ensure a safe environment, you must also ask the chair's **permission** before the meeting if you wish to:

- use **large equipment** (that is, **larger** than a smart phone, tablet or compact camera),
- **move** around the room or film from different angles, or
- use **lighting** for filming/**flash** photography.

Making your recording

You should record **overtly** (that is, in a way which is clearly visible to others at the meeting).

You must record from the **public seating area** and from **one fixed position**, (unless you have the chair's permission to do otherwise).

Do not block other people's view of proceedings with your recording device. Please put your recording device on **silent mode**.

Please **focus** on members of the LEP Board and persons advising the LEP Board, or any other people invited to address the meeting, who have not objected to being filmed.

Do not record any member of the public who has asked not to be recorded.

Do not record any child or young person under the age of 18 who is present unless their parents/guardians have given you written consent.

Stopping recording

You must stop recording if the chair instructs you to do so¹.

Publishing recordings

You must comply with all relevant laws when recording reporting and publishing, including those relating to libel and defamation.

Neither the LEP nor the West Yorkshire Combined Authority as the accountable body for the LEP will be liable for recordings or reports made or published by you or any other person.

When you publish a recording, please publish an **explanatory statement** identifying:

- **when and where** the recording was made,
- the **context** of the discussion, and
- the **main speakers** and their **role or title**.

Do not edit the recording in a way that could:

- lead anyone to misinterpret the proceedings or comments recorded,
- misrepresent anyone in the recording, or
- show a lack of respect for anyone in the recording.

Recordings may start and end at any point of a meeting, but you should publish the material between those points without editing it, or alternatively make it clear when breaks in recordings occur.
