- Making general connection that ability to participate improving employability in ANY sector.

- ~~THE~~ Nuances in participation? Active or watching?

Both are valid. DEFINITION (*).

- Relationship to spaces and role models in your community — first steps locally into major institutions .
— Location is key .

- Holiday access / activities .

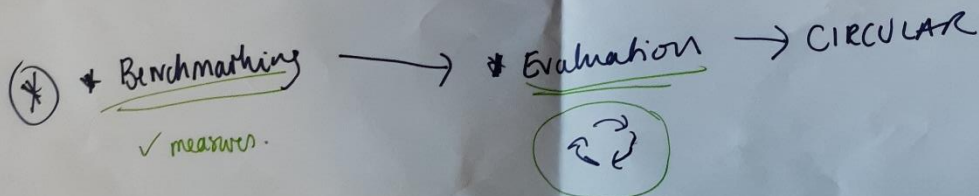

- (*) Heritage, museums sector and connections to community — Implicit in the statement but does it need to be explicit?

- Relevance .

- Open Innovations — LEEDS 2023 — Data..... How do we measure .

- Our culture and sports orgs co-create and have inclusive governance . — the example given was Yorkshire County Cricket Club .

- Volunteering isn't reference

Who is not in the room, but should be?

1.2 Illustration

We commissioned the Leeds based illustrator (and Leeds Arts University alumni) Ellie Bazigos to capture the John Smith's Workshop session, and she provided us with a range of beautiful illustrations that captured both the thematic areas of discussion, and the spirit of the event.
