Appendix 2 | Overview table of corporate objectives

As presented to Finance, Resources and Corporate Committee in June 2023.

The targets referenced here are set out in full as part of appendix 3.

Objective	Status	Progress of note	Challenges
Empowering our communities, towns, and cities to thrive		enabling 1771 homes on Brownfield land. The programme has also secured an additional £22million of Government funding, allowing outputs targets to increase over the lifetime of the programme (a further 900-1855 new homes by March 2023)	E1 – Bus service reductions in October but no significant changes since then. Cost pressures are affecting CA and bus operators – reported to CA, TC and FRCC E3 – unforeseen in-year pressures has meant WY Housing Strategy will not be delivered this financial year. Currently recruiting to 3 housing related roles to support with capacity.
Building a sustainable, nature rich and carbon neutral region		IRU — X5% OT DEOCHEMANTS OVAL + HIK	B7 – Procurement of electric vehicles delayed. Order placed for electric vehicles with a delivery date scheduled for October 2022 is still unfulfilled and we have had limited response to our order from the supplier. B8 - This KPI remains amber as 'launching' the Better Homes Hub is not yet achieved albeit we are already delivering retrofit activity.

Creating an accessible, clean and customer focussed transport system	developed. Despite not being published when predicted, work is on course to have this published by summer 23, and demonstrates EDI being positively incorporated into the Directorate's work at an early stage.	Challenges to note are provided in section 2.1.4 of this report. T6 – BSIP targets at risk due to patronage remaining well under pre-Covid levels. T7 – ongoing financial challenges and reduced level of customer have impacted this KPI being realised.
Supporting community safety and accountable, proactive policing	KPIs having a green RAG rating. Key progression includes the Safety of	As with the previous report minimal reputational risk has been identified within S1 – 'Reducing Vulnerability and Multiple and Complex Needs' being likely to slip into 23/24.
Championing culture, sport and creativity	green RAG rating, with good progression on	As noted in the previous report, C1 has been delayed due to cost escalations and a need for a programme review.
Driving economic growth and innovation to enable good jobs.		J1 and J2 are amber (with J2 being downgraded from green). This is largely due to capacity constraints causing delays in delivery, however work is ongoing.

Enabling a diverse, skilled workforce and accessible learning for all.

W3 has seen a 126% overall achievement of **W1** has been downgraded from green to targets (336 businesses supported as opposed to the predicted 266), and **W4** has seen 57,515 adults supported against the target of 62,300. Good progress against EDI targets across the KPIs.

amber impacting the overall RAG rating of this objective. Delays have impacted realisation of this KPI, however pending assurance and CA approval, digital inclusion and digital diversity programmes likely to be live in Autumn 23 and Spring 24.
