1 Purpose of this report

- 1.1 To update the Combined Authority on progress towards securing devolution to Leeds City Region.

2 Information

- 2.1 The Combined Authority considered a report of the Director of Policy, Strategy & Communications in February 2017 which provided an update on the progress made in securing a second stage devolution deal for Leeds City Region, which was seeking to build on the first stage deal agreed with the Government in Spring 2015.
- 2.2 The Combined Authority had noted that a formal response to the Leeds City Region devolution proposal submitted by in September 2015 had not been received from Government. Members expressed a collective desire to secure a devolution deal and discussed the ongoing challenges, recognising that other options, based on a larger geography, should also be explored.

- 2.3 Yorkshire's Council leaders began meeting regularly in spring 2017 to progress a range of issues in common, including options to unlock devolution across the region.
- 2.4 As a result of these meetings, 18 of the 20 Yorkshire Council leaders formed a coalition under the 'One Yorkshire' banner seeking the widest possible Yorkshire geography covering at least the administrative areas of: Barnsley, Bradford, Calderdale, Craven, Doncaster, East Riding, Hambleton, Harrogate, Hull, Kirklees, Leeds, North Yorkshire, Richmondshire, Scarborough, Selby, Ryedale, Wakefield, and York.
- 2.5 In response to requests made by the coalition's Leaders to the Secretary of State for Housing, Communities and Local Government for a meeting to discuss their devolution proposals, the Secretary of State agreed to meet Leaders, MPs and other stakeholders at the February 2018 meeting of the Yorkshire and Northern Lincolnshire All Party Parliamentary Group.
- 2.6 The Leaders welcomed the Secretary of State's confirmation at the meeting that the Government would not seek to prevent a proposal based on a One Yorkshire Mayor and Combined Authority from taking effect in 2020, providing it satisfied the various statutory requirements and had widespread support. This would include the ability for any of the South Yorkshire authorities to join a One Yorkshire deal from the start.
- 2.7 The Secretary of State requested detailed proposals and Leaders confirmed that, given the level of agreement achieved across Yorkshire, these could be submitted to the government rapidly.
- 2.8 Following an offer made by the Secretary of State in February to consider detailed proposals for a 'One Yorkshire' deal, Leaders met on 5th March and agreed to submit their devolution proposition to Government and publish it more widely in the interests of transparency. The submitted technical deal proposal is included for information in **Appendix 1**.
- 2.9 The proposal is to secure a deal for the widest possible Yorkshire geography by 2020, including Leeds City Region, with a directly elected Yorkshire Mayor and Combined Authority (with cross party Overview and Scrutiny Arrangements), having the ambition of securing a broad range of devolved powers and funding, in ways that do not create net additional cost and bureaucracy.
- 2.10 The deal proposes powers and funding aimed at raising living standards for everyone in the Region, closing the UK jobs gap by delivering 200,000 jobs, boosting productivity via an extra £12bn of economic growth, and moving towards becoming a net contributor to the public purse.
- 2.11 Leaders have submitted the proposal as a basis for initiating negotiation with Government, recognising that further work will be ongoing to: identify any specific place based investment Asks; develop and agree detailed governance arrangements for the operation of the Yorkshire Combined Authority (including

voting arrangements and representation); demonstrating the economic case for a Yorkshire deal, and preparing a public facing version of the deal which explains the proposals and benefits in plain English.
